

Champions *4* Her

ONE Walk Many CAUSES

HELP US CREATE IT!

Women 4 Women and nine other local nonprofits* that support women and girls are excited to present a new community-wide, signature event called the Champions 4 Her Walk, Run & Festival scheduled for June 21, 2008. This “umbrella” event will serve as a fundraising vehicle for the nonprofits (“beneficiary partners”) in our community whose missions are to improve the status of girls, women and their families. In addition to raising funds through the traditional model of collecting pledges for a Walk/Run, this event is designed to entertain and raise awareness of the services available all across our community. (*Big Brothers Big Sisters of Kentuckiana, Center for Women & Families, Girl Scouts of Kentuckiana, Maryhurst, Mom’s Closet Resource Center, Project Women, UofL Women’s Athletics, UofL Women’s Center, West Louisville Girls Choir)

The walkers/runners who participate will be able to designate which of the pre-approved beneficiary partners will receive the pledges they secure. Women 4 Women will create the tools, provide event management, recruit committee leadership, raise sponsorship dollars and coordinate promotional support for the event, and we WANT YOU to be involved as we begin the process.

In addition to a Walk/Run, the Festival will feature:

- Sidewalk chalk art displays
- Fun activities for children and families (music, arts/crafts, games)
- A health pavilion for health screenings, exercise demonstrations and healthy cooking classes
- Exhibit areas for:
 - Local nonprofits to promote and explain their services
 - Schools and higher education institutions to connect to the community
 - Employers to recruit employees
- A meeting area dedicated to helping women connect to each other to learn, be inspired, get advice and offer assistance.

Committees are forming now. Get in on the ground floor of what is sure to become one of our community’s most exciting summer events! Call 502.561.8060 x1018 for more details.
